LUXURY THAT ADDS
GRANDEUR

THE EVOLUTION TO REVOLUTION

Vanart Automation is not just a brand but also a perspective that our living spaces, houses and offices needs to be interacted with differently.

We are surrounded by technology yet limited to controlling them independently.

Vanart Automation offers a connection over multi communication protocols to connect these appliances and give you an optimal way of living while reducing carbon and plastic footprint and saving energy.

VYOM

Glossy White Vyom Graphite Grey Switch

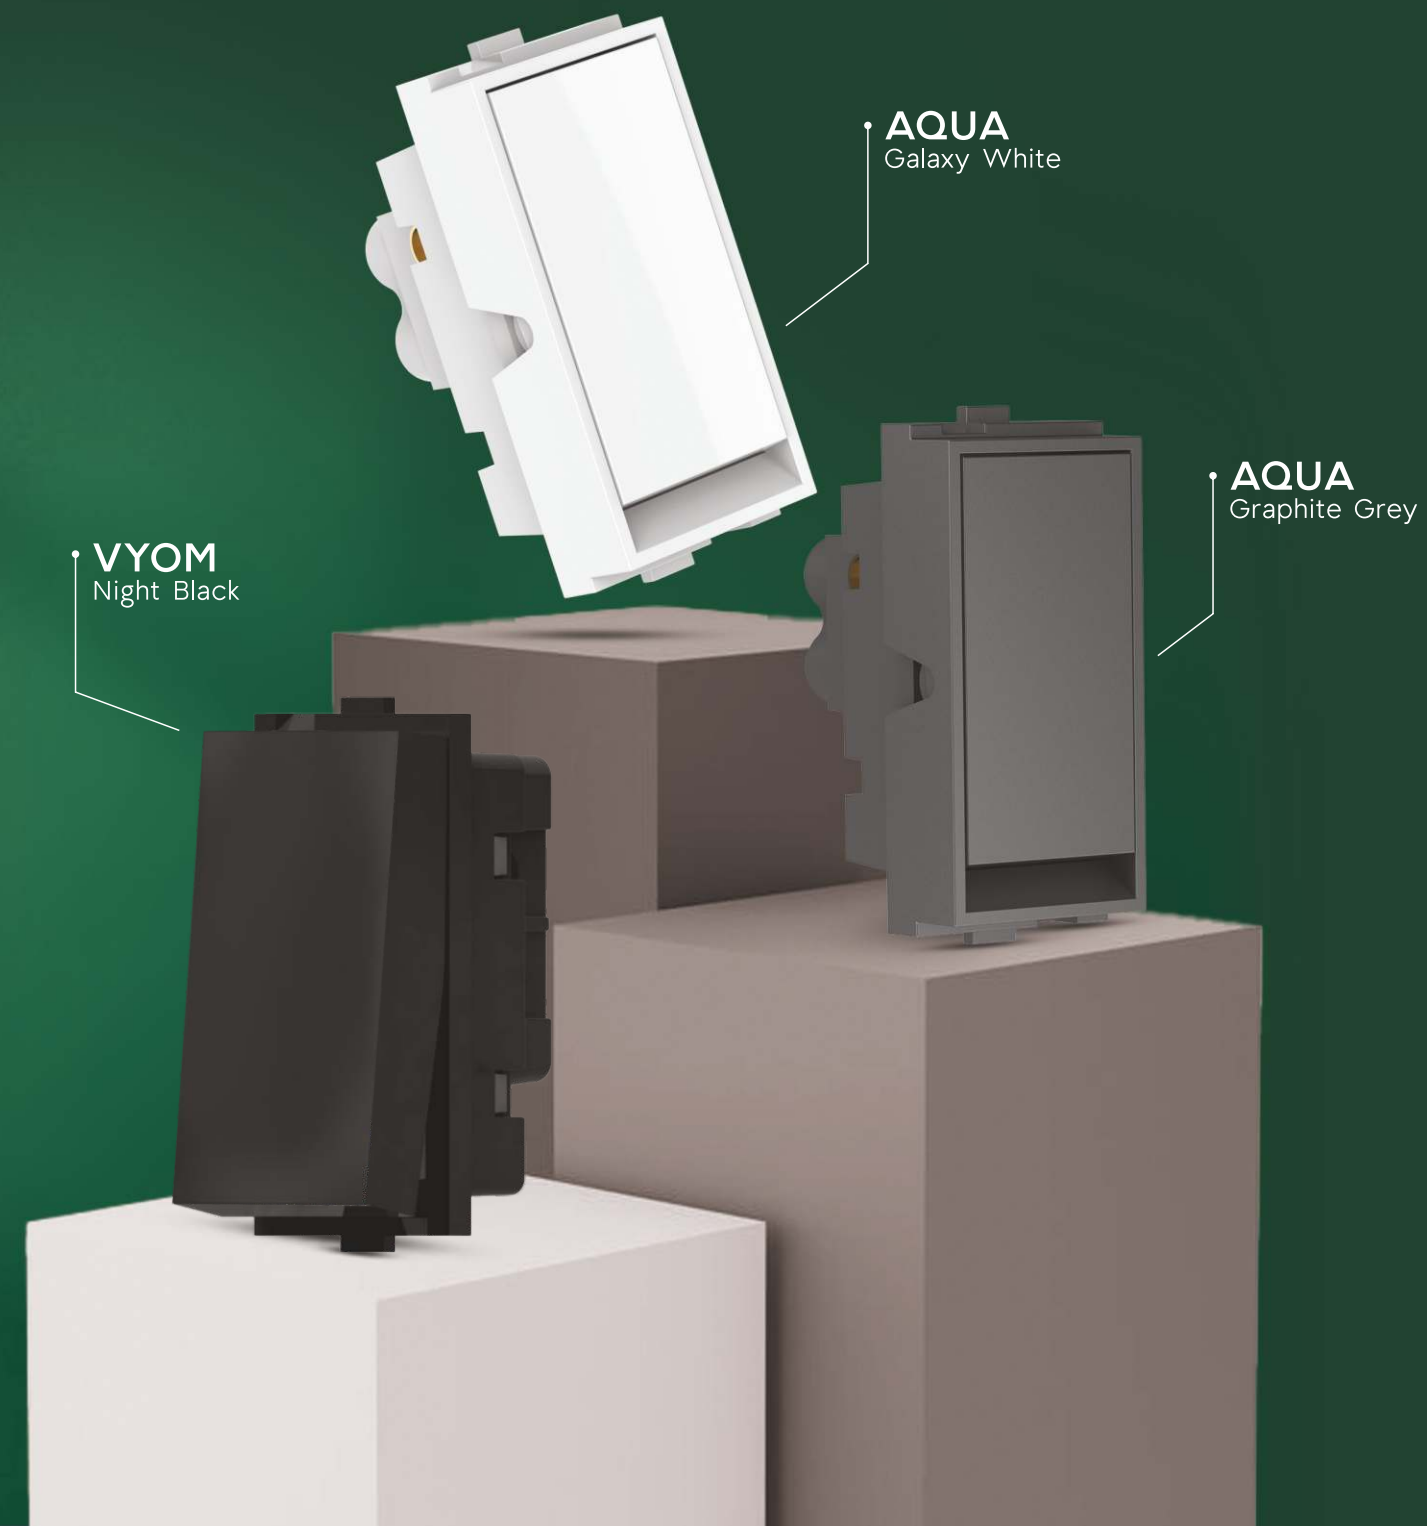

The new Vyom modular plates is a mix of playful elegance and contemporary styling. Gently curved with rounded corners. The Vyom is a refreshingly clean and modern design with a dash of added fun. Like other VANART GOLD modular plates, the Vyom is restrained in a quiet, refined manner without being dull and boring. Introduce Vyom modular plates to your interiors to exhibit that rare combination of elegance and charming playfulness

With a classic combination.

MINIMALISTIC ELEGANCE

The Aqua redefines flat switches. Styled to remain absolutely flush with the cover plate, the Aqua emphasizes the minimalistic design of the Vanart Gold range. Manufactured using the very best in raw materials and processes, the Aqua is both functionally and aesthetically a class apart
